GRADUATING EXERCISES
HELD AT JOHN B. CARY SCHOOL

Class Officers Conduct Special Exercises—Gold-Headed Case Presented to O. O. Deltz.

Members of the graduating class of the John B. Cary School, at the annual held in the school auditorium yesterday, presented the school with a picture of the graduates as the gift to the school, and a handsome gold-headed cane to their teacher, O. O. Deltz. Wellford Trevillian made both presentations on behalf of the class.

The exercises, which were well attended by a number of parents of the children and by friends, were entertaining, and were much enjoyed. They were in charge of the class officers, who were as follows: president, John D. Drinnard, vice-president, Brandt F. Palmer, treasurer, Lucille Kendall, secretary, Fay Raulston, historian, Margaret Wood, prophetess, Emma Hoffman. The class president, John D. Drinnard, welcomed the audience to the exercises.

Following in the list of graduates: Brandt Palmer, Wellford Trevillian, William Miller, Irvin Schremp, William Vaughan, Jaywood Hendricks, Frank Landrum, Charles Willis, John Drinnard, Phyllis Moneure, Fay Raulston, Margaret Wood, Emma Hoffman, Celeste Jones, Flossie Mills, Doris Urban, Edna

INDORSES PRINCIPLE
OF WOMAN'S SUFFRAGE

General Federation of Women's Clubs Yields After Fight of Twenty Years.

Chicago, June 13.—The principle of woman's suffrage was indorsed here today by the General Federation of Women's Clubs after a twenty years' fight by the suffragists to break down the federation's constitutional bar on political and religious subjects. The motion was made by Mrs. E. G. Deniston, of San Francisco, chairman of the resolutions committee. There were seconds from all over the house.

When the question was put there was a chorus of "ayes," but scattered negatives were plainly heard.

The resolution follows: "Whereas, the question of political equality of men and women is to-day a vital problem under discussion throughout the civilized world; Resolved, That the General Federation of Women's Clubs gives the cause of political equality its moral support by recording its earnest belief in the

principle of political equality, regardless of sex."

Scarcely had the convention favored the principle of female suffrage when news was brought that the Illinois Supreme Court had upheld the State law giving women the right to vote for statutory officers.

Opinions of the women differed as to the effect of the indorsement of equal suffrage. Mrs. Loraine Pratt, Impen, of Grand Rapids, Mich., said the suffragists were so determined to attain some sort of recognition that there was no chance of defeating them.

APPLY SULPHUR LIKE A COLD CREAM
WHEN SKIN BREAKS OUT
SAYS SULPHUR WILL END ITCHING ECZEMA

In the treatment of the various forms of disfiguring, itching and burning Eczema, such as Acne, Ringworm, Salt Rheum, there is nothing known that can take the place of bold-sulphur cream. It effects such prompt relief, even in the aggravated Eczema, that it is a never-ending source of amazement to physicians. For years bold-sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties. Bold-sulphur is not only parasiticide, but antipruritic and antiseptic, therefore invaluable in overcoming irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance it instantly stops the agonizing itching; subdues the irritation and heals the inflamed, raw skin right up, and it is often years later before any Eczema eruption again appears. Those troubled should obtain from any good pharmacist an ounce of bold-sulphur cream and apply it directly upon the abrasion like an ordinary cold cream. It isn't unpleasant and the prompt relief afforded is very welcome. —Advertisement.
